**Circled
Education**

Our tool(CircledEducation) facilitates deaf and hard of hearing persons to feel more socially included into the society, our app will help the deaf/hearing impaired to learn English and IT skills.

Our app will also help to empower women entrepreneurs as it is a platform for all women entrepreneurs all over the globe, to interact and collaborate

It will help students feel confident in their course of study as they get to ask questions pertaining to their course work and interact with students studying the same course or in the same field
